1. Coach Carlson provided an update on the search for a new Varsity Head Coach and discussed interim plans. All questions should be directed toward the assistant coaches and captains.
2. Coach Carlson and Anderson encouraged all athletes to commit to off season training and the use of Jag Power at Jefferson. Concern was expressed over the hours available for Jag Power and the conflict with other winter and spring sports. Other sports do count as conditioning and the coaches understand this. Hours will be discussed with the Jag Power staff to see if any flexibility can occur.
3. Player/parent meeting is set for December 5 at 7:00 in the JHS auditorium.
4. Coach Carlson reviewed the change in Sections next year that will change who JHS play for playoffs.
5. Members of the Jefferson Football Alumni were present to review their objectives and activities. The annual Golf Tournament is the largest fund raiser which raises money for the football scholarships that are presented at the football banquet each year. The next tournament will be held Aug 3 at Dwan Golf Course. More information will be available as the time gets closer. They do have a website which is being updated right now. A link will be on the Jefferson website in the future.
6. Nyla, Laura, and Randy met with Brian Fell prior to this meeting to review the support that the Booster Club has for the program and to discuss any changes that he would like to see. A parent/player survey will be compiled over the next few months to ask for what qualities are desired in a new coach.
7. John Larson provided a Treasurer's Report. We continued to talk about opportunities to increase income such as corporate sponsors.
8. New officers were announced and volunteers were solicited for team reps and program chairs. Randy and Vicky Edge will be the new co-Presidents with Pam and Steve Tucholke and Robbin and Scott Hilgert being the co-Vice Presidents. All other positions can be found on the website.

9. Next meeting will be held in January.
