

Brotherhood of Jaguars Football Pledge

I _____ understand that playing football is a privilege and brings with it certain duties and responsibilities. I have an obligation, in representing my school and the great game of football, to conduct myself properly. As such, I will do my best to follow the principles below as part of my commitment to this football program:

I. Academics: I understand that my first obligation is to my education, therefore I agree to:

A. not receive a grade below a C in any of my classes.

B. attend all my classes and be on time.

II. Citizenship: I understand that my behavior is a direct reflection upon myself, my family, my teammates, and my school, therefore I agree to:

A. refrain from the use of alcohol.

B. not use any illegal substances.

C. always do what is right on and off the field.

III. Football(In Season): I understand that our success as a football team depends on my commitment to excellence, therefore I agree to:

A. attend all football functions, unless I have PRIOR permission from the head coach to be excused.

B. do all that is asked of me to prepare mentally and physically during the season.

C. I will do everything I can to get back on the field if I am injured.

IV. Football(Off Season)

A. participate in a workout program during the off- season. I understand the off-season begins after our last game. I understand the importance of working out as a team.

I understand that to be the best takes a tremendous commitment. This commitment, while not always guaranteeing victory, will insure that I will perform at the highest level possible at all times. The pursuit of excellence is not a sometimes thing. Therefore I agree to:

ACT LIKE A CHAMPION IN ALL THAT I SAY AND DO!

By agreeing to these basic principles, I understand that my failure to follow them can result in the team not reaching it's full potential. It is not the intent of this pledge to remove athletes from this program. It is however, to set a standard of excellence throughout the football program that will help you become a better young man and a better football player.

“Expect the best to happen and the best will happen.”
